1. The nigh coming to an end has ended.

2. Praise ME, not, saith me; praise the ME CLUBS, ME, not; but WHAT ELSE IS THERE? A "me club" not of "saints not", nor what has been *called* "me", but isn't.
3. "Isn't there something else?" people have been asking for centuries. But NOW they'll know, a "me club" isn't me, and a "me church" isn't me, and a "me institution" isn't ME AT ALL! NONE ARE. Those are "of me" not not, but WHAT ARE, OF "ONLY ME" NOW "come up" through the "ranks", not of "religion's deemed service institutions" a'serving them; but WHAT, WHERE, WHEN NOW?

4. The now clubs me AREN'T anymore. Seen, not heard, increasingly. THEY shall "die out" now, a'creasingly increasant one comes. And SPEAKS THE WORD OF ME, THAT THEY ARE, HEARING THEM – SELVES FOR THE FIRST TIME, SPEAK TO 'EACH OTHER' LIKE "THIS" SPEAKS NOW.
